
vicolux® Dark Field Light - RR64/22-B470/VC

Short description: radial ring light, blue, lf diam.: 128mm, height: 22mm, controlled, 0-10V and manual

Order number: 1-10-677

EAN: 4251692651070

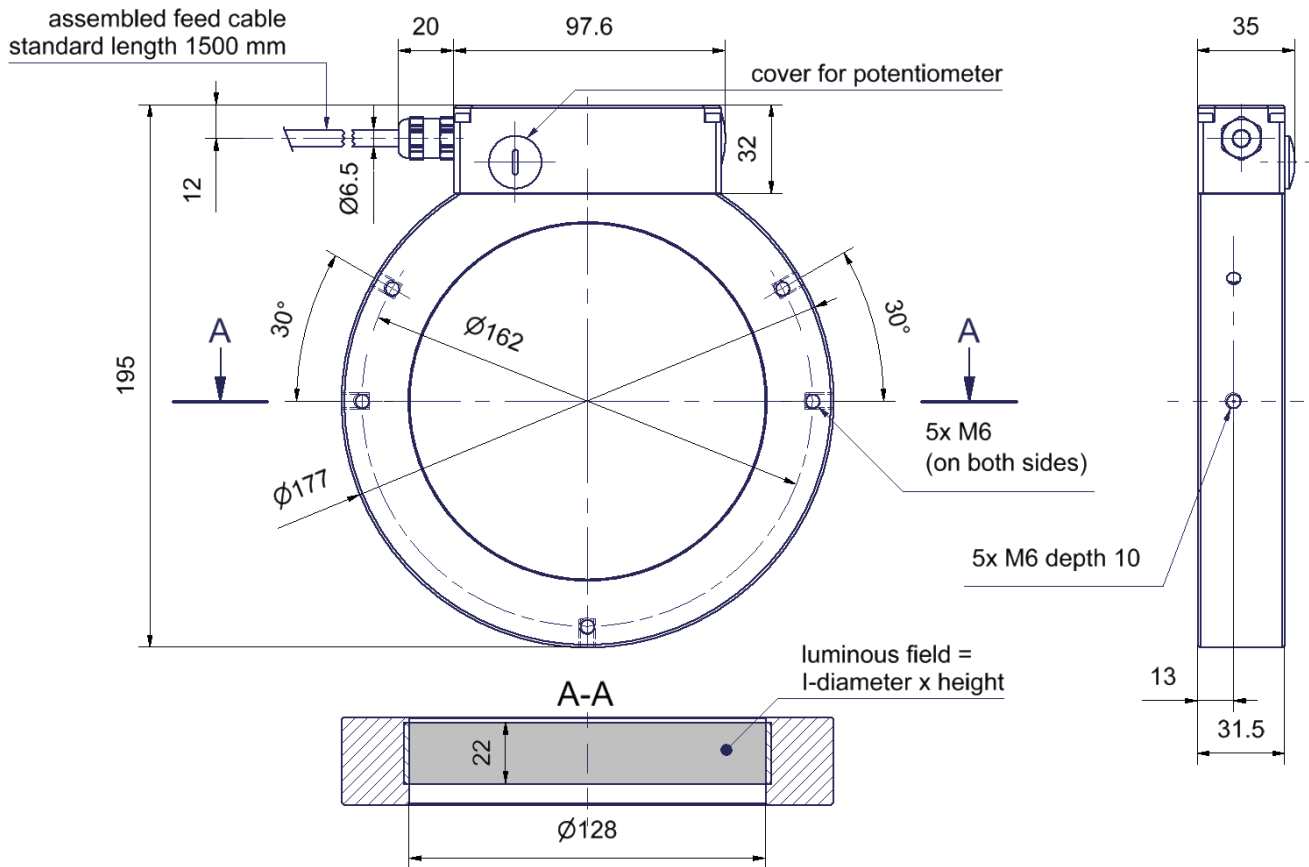

Characteristics

- LED dark-field light, radial illumination
 - Homogeneous illumination
 - Build-in Controller
 - Continuous or pulsed operation
 - Pulse-length adjustable, brightness pre-set
 - Connection: cable with open ends
 - Polyamide casing
 - Multiple mounting options
-

Technical data

Diameter of luminous field	128 mm
Light colour	Blue, 470 nm
Operation voltage	24 VDC (10 - 30 V)
Ambient temperature	0 °C bis +40 °C
Degree of protection	IP50
Housing material	Aluminium schwarz eloxiert
Weight	950 g
Risk group (DIN EN 62471)	Exempt
Safety class	III, operation on protective low voltage

Drawings

Funktion	Belegung	Kabelfarbe
Betriebsspannung	V+	rot
	GND	blau
Steuerspannung	+CV	grün
	-CV	gelb
