

## Colour Filter Yellow - Colour filter yellow M100x1

---

|                           |  |
|---------------------------|--|
| <b>Short description:</b> | long-pass filter from 530 nm, yellow, filter thread M100x1 |
| <b>Order number:</b>      | 2-91-281   |
| <b>Actual Notice:</b>     | Availability on request.                                   |

---

### Characteristics

- long-pass filter for wavelengths from 530 nm
  - to increase the image contrast of monochrome cameras
  - easy to assemble thanks to the black anodized brass mount
-

---

## Technical data

|                            |                     |
|----------------------------|---------------------|
| Filter type                | Long-pass filter    |
| Housing material           | Filter mount: brass |
| Optical material           | Glass               |
| Thickness optical material | 2 mm                |
| Weight                     | 106 g               |
| Mounting                   | Screw-in socket     |
| Filter thread              | M100 x 1            |
