## Accessory for Vision Systems - Netzteil-HR25A-7TP-8S

---

**Short description:** Power Supply for Mako Cameras

**Order number:** 4-40-336

---

### Characteristics

- Power Supply with Cable (8 Pin Hirose Socket)
  - For Mako camera usage without POE
  - Recommended by Allied Vision Technology (13868)
-

---

## Technical data

---

### Output parameters

---

|               |    |
|---------------|----|
| Current range | no |
|---------------|----|

---

### Input parameters

---

|               |   |
|---------------|---|
| Voltage range | 8 |
|---------------|---|

---

---

|                 |                     |
|-----------------|---------------------|
| Frequency range | Hirose HR25A-7TP-8S |
|-----------------|---------------------|

---

---

|                   |        |
|-------------------|--------|
| AC current (Typ.) | Socket |
|-------------------|--------|

---

---

|                 |  |
|-----------------|--|
| Leakage current |  |
|-----------------|--|
